Association

Publications list and order form

This is a complete list of all resources available from the Geographical Association. Prices include VAT at the reduced rate of 15% where applicable and are valid until 31 December 2009. New resources are indicated in **bold type**.

Full descriptions of all these resources can be found on the GA website at www.geography.org.uk/shop. More support for all phases is available in the GA's journals; full details of issues available can be found on the GA website www.geography.org.uk.

Foundation and key stages 1 and 2

These resources are specifically for the Early Years and primary phases. Continuous support and fresh new ideas for teaching geography in these phases can be found in *Primary Geographer*, the journal for primary teachers, delivered in print and online three times a year as part of a GA membership subscription. GA members also save on their publications – see over to join.
