

Birmingham KEGS GA Branch Events 2010-2011

RGS Greater Birmingham Network/GA Branch meeting on controlled assessment

Wednesday 29 September 2010, 4.00 to 5.15pm

King Edward VI Five Ways School

Introduction to GIS Workshop

University of Birmingham Geography PGCE students

Monday 4 October 2010, 3pm to 5pm

King Edward VI Five Ways School

'Inequality' Lecture

Wednesday 12 October 2010, 12pm to 1pm

King Edward VI Five Ways School

Lecture given by Professor Danny Dorling, Professor of Human Geography, Dept of Geography, University of Sheffield

Syllabi links:

- **Edexcel Unit 2** Geographical Investigations: Human topic 3: Unequal Spaces
- **Edexcel Unit 3:** Contested planet: Topic 5: Bridging the Development Gap
- **AQA unit 1:** Core human: Population change
- **AQA Unit1:** Human geography: Optional topic: Health issues
- **AQA Unit 3:** Contemporary Geographical Issues
- **OCR Unit F763:** Economic issues: Option B3: Development and inequalities
- **IB: Part 1:** Core themes - patterns and changes: Topic2: Disparities in wealth and development

'Health and Development' Lecture

Thursday 25 November 2010, 4pm to 5pm

King Edward VI Five Ways School

Lecture given by Professor Hazel Barrett, Head of Dept, Dept of Geography, Environment and Disaster Management, Coventry University

Syllabi links:

- **Edexcel Unit 1:** Global Challenges: Going Global
- **Edexcel Unit 3:** Contested Planet: The Technological Fix
- **Edexcel Unit 3:** Contested Planet: Bridging the Development Gap
- **Edexcel Unit 4:** Pollution and Human Health at risk
- **AQA Unit 1:** Geog1 physical and human geography: Core human: Population change
- **AQA Unit 1:** Geog1 physical and human geography: Human options: Health issues
- **AQA Unit 3:** Geog3: Contemporary Geographical issues: Human option: Development and globalisation
- **OCR Unit F763:** Global Issue: Economic Issues: Options B1 Population and resources and Option B3 Development and inequalities
- **IB Part 1:** Core theme - patterns and change: Topic 1: Populations in transition
- **IB Part 2:** Optional themes: Option F: The geography of food and health

Using Gapminder in the classroom Workshop for teachers

Monday 29 November 2010, 4pm-5.30pm **Cost Free**

King Edward VI Five Ways School

RGS Greater Birmingham Network/GA Branch meeting on the links (or lack of) between School and University Geography

Wednesday 8 December 2010, 4.00-5.15pm

King Edward VI Five Ways School

With Prof Mike Bradshaw, Professor of Human Geography, Dept of Geography, University of Leicester & RGS Vice President (Research and Higher Education)

Using digital maps in KS2: Workshop for Primary Teachers

Monday 7 February 2011, 3.45pm to 5pm **Cost Free**

King Edward VI Five Ways School

'Global Energy Dilemmas'

Thursday 10 February 2011, 12.00pm-12.50pm

King Edward VI Five Ways School

Lecture given by Prof Mike Bradshaw, Professor of Human Geography, Dept of Geography, University of Leicester

Syllabi links:

- **AQA Unit 1:** Optional Human topic : Energy issues
- **Edexcel Unit 3:** Contested planet: Topic 1: Energy security
- **OCR Unit F672:** Managing change in human environments: The energy issue
- **IB: Part 1:** Core themes - patterns and changes: Topic 4: Patterns in resource consumption

'Why does that river flood? A case study of pluvial flooding in Much Wenlock' Lecture

Thursday 24 March 2011, from 2.45pm

King Edward VI Five Ways School

Lecture given by Paul Weeden, Secretary, GA Assessment & Examinations Working Group

Syllabi links:

- **Edexcel: Unit 2:** Geographical Investigations: Topic 1: Extreme Weather
- **AQA Unit1 GEOG1:** Physical and human geography: Core physical: Rivers, floods and management
- **OCR Unit F761:** Managing Physical Environments: River environments
- **OCR Unit F673:** Global Issue: Environmental Issues: Earth hazards
- **IB Part 2:** Optional themes: Option A: Freshwater - issues and conflicts

'Food and Water Issues' Lecture

March/April 2011 TBC, pm

King Edward VI Five Ways School

Lecture given by John Ingram, Executive Officer: Global Environmental Change and Food Systems (GECAFS), Environmental Change Institute (ECI), Oxford University.

Syllabi links:

- **Edexcel: Unit 1:** Global Challenges: Topic 1: World at risk
- **Edexcel: unit 3** contested Planet : Topic 2: Water conflicts
- **Edexcel: Unit 4:** Geographical Research: Option 3: Life on the margins – the food supply problem
- **AQA Unit 1:** GEOG1 Physical and human geography: Physical options: Hot desert environments and their margins
- **AQA Unit 1:** GEOG1 Physical and human geography: Human options: Food Supply issues
- **OCR Unit F671:** Managing Physical environments: Hot arid / semi-arid environments
- **OCR Unit F673:** Global Issues: Environmental issues: Option A3: Climatic hazards
- **IB Part1:** Core themes - patterns and changes: Topic 3: Patterns in environmental quality and sustainability
- **IB Part2:** Optional themes: Option D: Hazards and disasters – risk assessment and response
- **IB Part 2:** Optional themes: Option F: The geography of food and health
- **IB Part 2:** Optional themes: Option A: Freshwater- issues and conflicts
- **IB Part 3:** HL Extension - Global interactions: Topic 4: Environmental change
