Dear Member,

The Odgen Prize is awarded annually by the Manchester Branch of the Geographical Association for the two best students in A Level Geography examinations in the Manchester area. Candidates have to be nominated by members of the branch. If you wish to nominate any of your students for the 2008 prize would you please complete the form below and return it to me at the above address by **Friday 25th September**. Alternatively you can fax back the form or return the details by email.

SCHOOLS MUST BE MEMBERS OF THE MANCHESTER BRANCH OF THE GEOGRAPHICAL ASSOCIATION IN ORDER TO NOMINATE STUDENTS.

I have also enclosed a copy of the programme of lectures for 2008/9. Student membership costs only **£2.00** and we hope you will encourage your students to become members. It does help with administration if you and your students can join en masse prior to the meeting. We should be grateful if you could collect subscriptions and make payment by cheque (made payable to "Geographical Association, Manchester Branch"). Could you then please send them to me at the above address. Membership cards will then be posted out to you.

Best wishes for this academic year.

Yours sincerely,

Paul Douglas, Ogden Prize Secretary/ Membership Secretary

PLEASE CAN YOU REPLY TO THE EMAIL ADDRESS EVEN IF YOU DO NOT NOMINATE ANY STUDENTS. THIS IS SO WE CAN BECOME AS PAPERLESS AN ORGANISATION AS POSSIBLE. THIS WILL ALSO HELP US TO BUILD UP AN ADDRESS BOOK OF LOCAL HEADS OF GEOGRAPHY.
