

Now that's what I call geography! Suggested weblinks

Primary National Conference 2010

Great example of the synergy of geography and music - use in staff meetings or assembly:

<http://animoto.com/play/SGXYhAnFtiddaRU3Di538w>

Ideas for music from other places:

http://www.putumayo.com/en/putumayo_kids.php

Music and global citizenship:

<http://www.oxfam.org.uk/education/resources/>

Great resource with some content that is geographically linked:

<http://www.singup.org>

Website on 'world' music:

www.songlines.co.uk

Freeware to enable you to construct short samples of music:

<http://audacity.sourceforge.net>
