I wish we had more daylight hours in winter, then I could help my Dad on his hunting trips

It's surprisingly cold here at night, so we have to keep wrapped up in bed

My brother's job is to look after the pigs, chickens and water buffalo

I like wearing my fur-lined skates for playing hockey

We cook a lot of our meals outdoors, especially the fish which we catch every day in the river

My sister and I can wear thin clothes all year round, but it's useful to have an umbrella or a broad leaf everyday to keep the rain off

My favourite meal is chicken, vegetables and rice or noodles (which we have with most meals). We grow most of our own food

We have to be careful not to waste water, as it's very hard to find
