

Lesson 8: Information sheet 13

Gapminder guidance

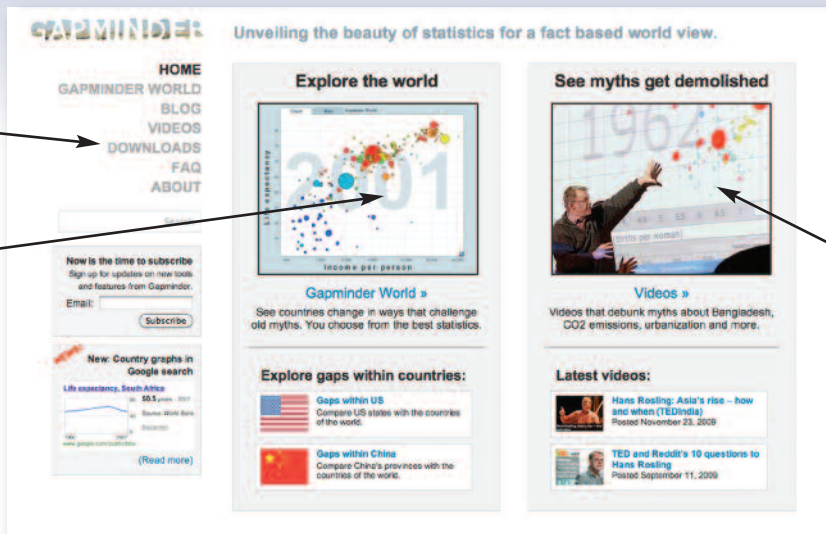

Step 1: Start here

Click on downloads.

Investigate these interactive graphics.

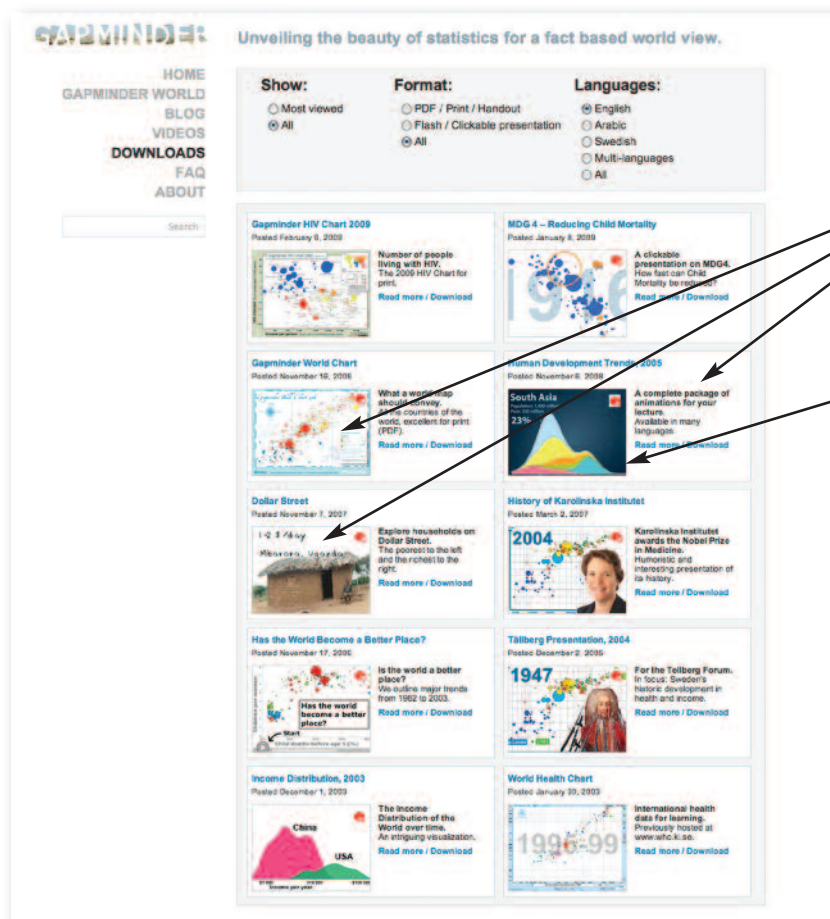

See if you can create graphs and maps that investigate how countries have changed in recent years.

Track one country.

Investigate these videos.

What do they tell us about the development gap?

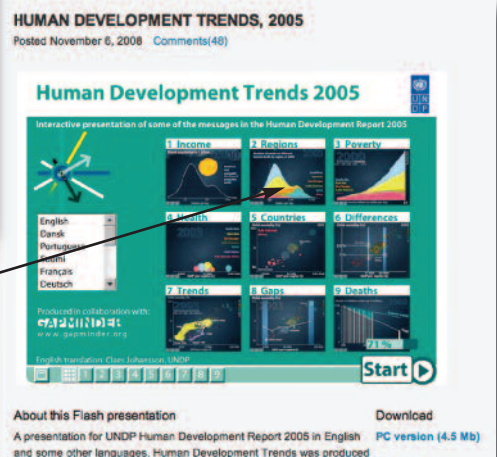

Step 2: Scroll down to ...

Investigate these graphics. Start with Income, Regions and Poverty.

What does this chart suggest about a development gap?

Click on 'Read more' for the graphics menu.

Step 3: Investigate the graphics

These graphics will help you answer the questions on your activity sheet.
