

Justin Woolliscroft

Secondary Geography Quality Mark Co-ordinator

Biography

Justin Woolliscroft was, until 2007, Head of Geography and Curriculum Enrichment Co-ordinator in an 11-18 Technology College in Staffordshire. Now living in Brigg, North Lincolnshire, he co-ordinates the Secondary Geography Quality Mark for the Geographical Association and also acts as one of the GA's Regional Subject Advisors to support the implementation of the revised KS3.

He is Chief Examiner and Principal Moderator for an innovative GCSE syllabus and has recently been involved in the writing of a number of text books for Key Stages 3, 4 & 5.

Quote

The Secondary Geography Quality Mark is pivotal to supporting the revitalisation of geography at key stage 3. The award promotes effective subject leadership and encourages geographers to collaboratively reflect upon how geography is taught in their school. It provides national acknowledgment of quality teaching and learning and is rapidly becoming recognised as the national standard for the teaching of geography in schools.
