

Thinking Hats: Should Orgreave mine be used as a landfill site?

For each of the people shown below, decide whether they would be **for** or **against** the use of Orgreave mine as a landfill site and **say why**.

The optimistic local councillor (likes change and development)

For or against?

Why?

The pessimistic local councillor (dislikes development)

For or against?

Why?

Local mum (she has 2 small children who go to the local primary school)

For or against?

Why?

A member of Friends of the Earth (a charity that works to protect the environment)

For or against?

Why?

The owner of a local waste management company

For or against?

Why?

Extension: Can you think of any other groups of people who would be for or against Orgreave mine being used a landfill site? Make a list in the back of you book. For
