

Tax relief on subscriptions to the Geographical Association

If this is the first time you have claimed tax relief on your GA subscription you will need to write to your Tax Office. A draft letter is reproduced below.

If you haven't completed a tax return you have five years from the 31 October following the end of the year concerned to get the relief. If you've previously completed a return it's five years from 31 January following the end of the year concerned.
