

Getting to GA HQ from Sheffield train station

Via the Supertram

The Supertram runs every ten minutes during office hours and picks up at the rear of the train station. It takes 10 – 15 minutes to reach Netherthorpe Road - the stop nearest to the GA. It is a five minute walk from there to the GA.

Directions:

1. Take the rear exit from the train station towards the tram stop. As you exit the station turn right to the tram stop signposted Sheffield station/ Sheffield Hallam University.
2. Take the 'Blue route' heading towards 'Malin Bridge' and alight at Netherthorpe Road.
3. Turn right into the underpass, then left up the ramp or steps.
4. Walk straight between the flats on the left and Momentum Leisure club on the right to the end of the road.
5. Turn left, following the cycle route for 'Upperthorpe/Hillsborough'. Do not walk down Radford Street. Instead, take the path to the right.
6. Walk towards the basketball court (Tesco Express ahead and to the right), then turn right. With the basketball court on the left, follow the path up and left. Take the first right into Kenyon Street.
7. Go up the hill. At the end of the road turn left onto Solly Street (you will see a sign opposite). GA HQ is approximately 20 metres down Solly Street on the left hand side.
